**In PET JARS**

**Stackable Packaging**  
**Perfect For Fridge &**  
**Island Displays**

*I am so glad we've met...*  
 I love mushrooms. 10 years ago I left a job in banking to follow my passion for those exquisite and mysterious fungi. It has been a great and fulfilling journey. Vivido mushrooms are air - sun dried to protect their aroma and nutrients.  
*Amine Sabbagh, Founder*
